ORDER

Let a copy of this Report and Recommendation be served upon counsel for the parties. Any party who objects to this Report and Recommendation or anything in it must file, not later than October 2, 2017, written objections specifically identifying the portions of the proposed findings and recommendation to which objection is made and the specific basis for objection.² The Clerk will submit this Report and Recommendation together with any objections to United States District Judge William T. Moore, Jr., on October 3, 2017. Failure to file specific objections within the specified time means that this Report and Recommendation may become the opinion and order of the Court, Devine v. Prison Health Servs., Inc., 212 F. App'x 890, 892 (11th Cir. 2006), and may limit a party's appellate rights. Dupree v. Warden, 715 F.3d 1295, 1300 (11th Cir. 2013).

¹The Court **DIRECTS** the Clerk to update the docket in accordance with the caption on this Order.

²A copy of the objections must be served upon all other parties to the action.

Requests for extension of time to file objections to this Report and Recommendation shall be filed with the Clerk of Court for consideration by Judge Moore.

A party may not appeal a Magistrate Judge's recommendation directly to the United States Court of Appeals for the Eleventh Circuit. Appeals may be made only from a final judgment entered by the District Judge.

SO ORDERED this 14th day of September, 2017, at Augusta, Georgia.

A handwritten signature in black ink, appearing to read "Brian K. Epps", is written over a horizontal line.
